LAUSD Regional Meeting Draft Outline
March 26, 2018
4:15pm-5:30pm

Objective: LAUSD members in attendance will:

1) Understand that the LAAC and its working groups are highly inclusive and representative of the broader charter community, and are our best path forward for collective action;
2) Understand the LAAC's priorities current policy priorities and how their schools would be better equipped to serve their students if those priorities are achieved;
3) Understand how the charter community has accomplished wins on these policy priorities through the DRL efforts, subsequent policy working group, and is primed for collective action on oversight and facilities to keep momentum going;
4) Be motivated to take action by applying to join the LAAC, joining a policy working group, and/or committing to a specific action.
5) Be motivated to take action due to our unique position to dictate the direction for the education reform community statewide.

- Legitimacy through representation
- Local opportunity, statewide threat

Questions to answer by the end of the session:

- Who is the LAAC and how can I get involved?
- What has the charter community achieved through collective action and what opportunities and momentum do we have to achieve more?
- How will collective action in these policy areas affect my school(s)?
- How can I get involved?
